

St. Lawrence County

2025 Tentative Budget Message

This is the tenth Tentative County Budget that I have recommended for consideration by the Board of Legislators. This Tentative Budget looks very different from the first one prepared in 2015, with a True Value Tax Rate (TVTR) at that time of \$8.52/thousand. With that Budget came clear direction from a new Board of Legislators that taxes were not to increase for the people of the County. I took that guidance very seriously and have never looked back. None of the budgets I have recommended have requested increases to the taxpayers of St. Lawrence County. I am proud of that. I have the privilege to work with a small but dedicated Budget Team and with the Board of Legislators who have been outstanding in working to diligently to maintain a strong budget. Along with forward thinking with Departments focused on how to address things like challenges with filling positions, deferred maintenance, and a shared understanding of teamwork to keep the fiscal health strong for the County. The 2025 Tentative Budget is proposed at \$304M with \$248.2M in revenue, creates a balance of \$56.5M recommended to be raised in the levying of property taxes. This represents an \$8.3M increase in appropriations and a \$5.5M increase in revenue over 2024. It is also with that in mind, that I have requested that the Board of Legislators consider an override of the Tax Cap for 2025. The second override request in ten (10) years.

When New York State delivers a new mandate, the County works very hard to assess the impact, inform policy makers, and mitigate the effect in the most creative ways...unfortunately, it does not change the burden of carrying the cost of new mandates and the budget is a reflection of that. As Budget Officer, I have been very mindful of the Tax Cap and since 2016 delivered budget after budget that has not exceeded the limit allowed under the formula created by

New York State. The available tax cap for 2024 is \$1.5M and the Tentative Budget is requesting a total increase of \$2.9M.

There have been many changes, some detailed below, that have impacted my ability to remain under the tax cap. One of those examples began in 2023 when counties were notified that New York State was positioning to gradually intercept federal dollars attached to the Medicaid Programs for the following three years. For St. Lawrence County, the impact of this regulatory change had the effect of an additional \$3.1M or an increase of over six (6%) percent. In 2025, the graduated implementation will be complete. These funds were intended to offset the cost of Medicaid for counties who are limited in the sources of revenue to pay for services to its residents. Despite noisy appeals from counties and State Legislators, the State has yet to provide these funds to counties as envisioned by the Federal Government.

Another ongoing impact on the county budget is inflation. The Federal Reserve has made a determination to reduce the rate for the first time in years, and this is supporting evidence that the economy is in a state of flux once again. Every aspect of operations for the County from purchasing materials to acquiring services has become more expensive for the same service or commodity. Most importantly, it is also effecting our workforce who live and work in St. Lawrence County.

The Board of Legislators continue to be supportive of ideas to update and fill positions that have included increasing the size of the workforce by 1.2% percent for next year. The recommended staffing level for St. Lawrence County in 2025 is 893.46 full time

equivalents (FTEs). This is an increase over 2024 of 10.93 FTEs. This is a combination of four positions through the Budget process and the balance as a result of Board approval during 2024. The challenges continue surrounding recruiting and retaining talent associated with the County workforce. The majority of the County workforce are represented by one of the seven (7) bargaining units, and there are contracts in place with each unit. Additionally, there are approximately 100 unrepresented employees. The Negotiating Team began its work midyear with four (4) of the seven (7) collective bargaining agreements set to expire at the end of 2024. The County and the Representatives of each unit have been working diligently to reach agreement on successor agreements. There is reasonable hope that the contracts may be settled before the end of 2024. The County recognizes the change in both the economy and the demands on the workforce.

There are changes included in the 2025 Budget that have been made, in part, due to decisions made outside of county control. There have been two major court decisions; the first one is what is known as the Hennepin decision. This federal decision out of Minnesota impacts the process by which properties are foreclosed upon and resold through the auction process. Until this decision, counties were able to maintain proceeds above what was owed on taxes for properties with delinquent taxes, following foreclosure and auction to support both the administration of and the process to return properties to the county tax rolls. The consequence of the first auction held since the decision is now that \$1.1M must be held in escrow while a determination can be made on what portion the County may claim and which portion must be returned, if and when former property owners can be located. Another court decision that impacts county operations, is adoption subsidies. The Department of Social Services has an overall department increase and included in that increase is \$2.9M to comply with this change.

The Office for the Aging continues to recognize an increased need for the nutrition program which provides home delivered meals and congregate dining to qualifying seniors. The demands on equipment, staffing, and the cost of food have increased the Department Budget

significantly for the past few years. For one of the fastest growing populations in the County, there is a local preference to provide this services versus a mandate. It is an important distinction that in St. Lawrence County, we prefer to make sure seniors have the ability to access nutrition and to have a place to go for a congregate meal. However, increasing the levels of service means increasing funding for the Program.

As anticipated in the 2024 Budget Message, there have been significant changes associated with county facilities this year. A notable achievement has been the successful designation on the Historic Register for the State of New York and the National Register for the Court House, the Surrogate Building, and the Old Jail. Also, after many years of not updating or renovating facilities, the County has implemented two significant projects this year; the work has just been completed on the Old Jail and the Public Safety Complex renovations. The Public Safety Complex is moving along on time and under budget, the Project should be complete in the early months of 2025. This includes a new 911 Center, a new Emergency Operations Center, the District Attorney's operations and the Sheriff's Office. With the addition of the second family court judge in 2025, the final design and production of bid documents are now underway for the second family court location within the Court House. This will relocate the Probation Department to the second floor of the Court House. The continued fiscal health of the County allows the ability to continue moving forward with projects with respect to providing good stewardship of the facilities.

The County has long recognized the importance of solid revenue streams as a means to pay for county services. There is an effort to continue to move away from continued reliance on property owners for that revenue. County sales tax revenue has been over performing for the last few years, particularly since the inception of formal internet sales tax collection. This pattern is changing and performance is demonstrating a slowdown in 2024. The County is fortunate that we can recognize that the plateau of that revenue stream and in the 2025 Budget, reduced the expectation by \$1.5M. This reduction was also included in the calculation for the share that

the County provides to the towns and the villages. The County continues to share the City portion of the additional one (1%) percent with Ogdensburg.

The continued improvement of emergency communications and interoperability in the County is not only supported by the renovation of the 911 Center, with the construction of additional towers and in 2025, with a new radio communication system. The entire infrastructure for emergency operations will leap forward in 2025 and in order to support these moves, the Board of Legislators approved the increase of wireless surcharges on mobile devices beginning in December 2024. St. Lawrence County is the last county in the State, with an operational 911 Center, to adopt this increase in surcharge. While the County does not have data yet to support the anticipated revenue, it is projected to generate approximately \$300-\$400K annually. This has not yet been budgeted and this will support the ongoing cost of the communication system.

For another year, New York State has not honored the Tribal State Compact and dispersed funds as agreed in the Compact. The County will continue to budget for these funds in 2025 with full expectation that the State will honor its agreement. The County has not received any revenue since the fourth (4th) quarter of 2023 (for 2022 and January - February 2023), without explanation. The Compact remains in place and this is an important source of revenue for the County, as well as the Towns of Brasher and Massena.

The creation of reserves has been continuously supported by the Board of Legislators and has been as important to the process as the implementation of the Fund Balance Policy. The current total in reserves is \$29.1M and represent six reserves with an additional contribution to the Environmental Reserve (ENRS). The totals as of 2023 are the Employee Benefits Accrued Liability (\$2M); Capital - Facilities (\$9.9M); Capital – Equipment (\$4.1M); Liability & Self-Insurance (\$10.5M); Sheriff’s Vehicle Replacement (\$.720M), the Blighted Properties (\$.565M); as well as the Environmental Reserve at (\$.5M). There is an additional \$800K that is set aside for the upgrade to the MUNIS Financial System in 2025. The Capital

Reserve for Equipment that is funded at \$4.1M with an additional \$894K funded in 2024 will prevent any bond issue for the purchase of critical equipment for the Highway Department in 2025.

For an additional year, the assessed valuation increase has supported another decrease in the True Value Tax Rate (TVTR). The increase for next year (7.3%) has impacted the True Value Tax Rate positively, understanding that municipalities in the County have different county tax rates caused by differences in the Equalization Rates. The table below includes the county rate and change over last ten (10) years. The True Value Tax Rate (TVTR) is the amount that is calculated with the value of a taxpayers’ property to determine what their portion of property taxes will be for the year. The tax levy has been predictable for the tenth consecutive year with a variance of less than \$2.4M in a budget of approximately \$304M.

St. Lawrence County Budget & Tax Levy True Value Tax Rate			
Year	Budget millions	Tax Levy millions	TVTR Per thousand of Assessed Valuation
2025	304.7	56.5	6.97
2024	296.5	54.0	7.15
2023	274.2	51.7	7.60
2022	260.0	50.3	8.02
2021	249.6	50.4	8.19
2020	253.1	49.0	8.28
2019	236.9	47.7	8.28
2018	231.0	47.5	8.36
2017	227.1	47.6	8.39
2016	227.9	47.6	8.48
2015	233.2	47.2	8.52

The 2025 Budget uses all of the available Tax Cap of \$1,538,287 and as presented, exceeds the Cap by \$955,454 with a proposed levy of \$56,545,493, an **increase** of \$2,493,741 from the levy in 2024 (+4.6%). Due to an increase in the overall assessed valuation along with the impact, the True Value Tax Rate (TVTR) for 2025 will **decrease** by \$.18 to \$6.97 per thousand (-3.0%). The last time the TVTR was lower than \$6.97 was in 1983, forty-two (42) years ago.

*Annually, the Budget Team and staff who assist with the production of the documents continue their daily tasks while they also help with preparing the **\$304M** Budget. The Department Staff carry a monumental task in preparing their budgets; both projecting the rest of 2024 and requests for 2025. I am grateful to have the support of the Departments and especially the Budget Team that includes; Assistant Administrator Karen Bjork, Deputy Treasurer Debra Bridges, and Planning Director Jason Pfothauer. Along with assistance from Treasurer Renee Cole, Personnel Officer Jonnie Dorothy, and Chief Payroll Clerk Heather Hebert, the work included in preparing the Budget changes each year. A special thank you also goes to the Supervisor of the Print Shop & Mailroom Stacie Burkum and new comer to the Production Team Jacob Loveless. We honor the memory of Senior Computer Programmer Analyst David Thompson, who we lost this year, for his thirty years with St. Lawrence County. We remember his careful attention to detail and support of the financial system and in doing so, supporting the production of the budget annually.*

As always, I am grateful to all county staff; former, current, and future for your service to St. Lawrence County Government.

Respectfully submitted,

Ruth A. Doyle
County Administrator
