INVESTMENT POLICY FOR ST. LAWRENCE COUNTY

I. SCOPE

This investment policy applies to all moneys and other financial resources available for investment by the County or on behalf of any other entity or individual.

II. OBJECTIVES

The primary objectives of the County's investment activities are, in priority order:

- * to conform with all applicable federal, state and other legal requirements;
- * to adequately safeguard principal;
- * to provide sufficient liquidity to meet all operating requirements;
- * to obtain a reasonable rate of return.
- * to make every effort to invest locally.

III. DELEGATION OF AUTHORITY

The County Legislature's responsibility for administration of the investment program is delegated to the County Treasurer, who shall maintain written procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a database or records incorporating description and amount of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

IV. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the St. Lawrence County Legislature to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

V. DIVERSIFICATION

It is the policy of the County to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

VI. INTERNAL CONTROLS

It is the policy of the County for all moneys collected by any officer or employee of the government to transfer those funds to the Treasurer within 5 days of deposit, or within the time period specified in law, whichever is shorter.

The Treasurer is responsible for establishing and maintaining an internal control structure to provide reasonable assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization and recorded properly, and are managed in compliance with applicable laws and regulations.

VII. DESIGNATION OF DEPOSITORIES

The County Legislature, at its annual organizational meeting each January, shall designate the banks authorized for the deposit of moneys and the maximum amount, which can be deposited at each bank. Additionally, the County Treasurer may select any bank allowable under New York General Municipal Law for investment purposes only, up to a limit of \$10,000,000 per bank, unless otherwise noticed in this policy. Should the Treasurer invest in any bank not already designated at the annual organizational meeting, yet allowable under New York Municipal Law, the Treasurer must provide a report to the Board of Legislators at the monthly Finance Committee following any such investment.

VIII. COLLATERALIZING OF DEPOSITS

In accordance with the provisions of General Municipal Law, all deposits of St. Lawrence County, including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured:

1. By a pledge of eligible securities with an aggregate market value as provided by General Municipal Law, equal to aggregate amount of deposits.

2. By an eligible irrevocable letter of credit issued by a qualified bank other than the bank with the deposits in favor of the government for a term not to exceed 90 days with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed upon interest, if any. A qualified bank is one whose commercial paper and other unsecured short-term debt obligations are rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization or by a bank that is in compliance with applicable federal minimum risk-based capital requirements.

3. By an eligible surety bond payable to the government for an amount at least equal to 100% of the aggregate amount of deposits and the agreed upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims-paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations.

IX. SAFEGUARDING AND COLLATERALIZATION

Eligible securities used for collateralizing deposits shall be held by the depository or a third party bank or trust company subject to security and custodial agreements.

January 4, 2021

The security agreement shall provide that eligible securities are being pledged to secure County deposits together with agreed upon interest, if any, and any costs or expenses arising out of the collection or such deposits upon default. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events, which will enable the County to exercise its rights against the pledged securities. In the event that the securities are not registered or inscribed in the name of the County, such securities shall be delivered in a form suitable for transfer or with an assignment to the County or its custodial bank.

The custodial agreement shall provide that securities held by the bank or trust company, or agent of and custodian for, the County, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement should also describe that the custodian shall confirm the receipt, substitution or release of the securities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the County a perfected interest in the securities.

X. PERMITTED INVESTMENTS

As authorized by General Municipal Law, the County Legislature authorizes the County Treasurer to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow needs in the following types of investments:

All investment obligations shall be payable or redeemable at the option of the County within such times as the proceeds will be needed to meet expenditures for purposes for which the monies were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the County within two years of the date of purchase. When applying this requirement to repurchase agreements, the repurchase date and not the maturity of the underlying maturity, shall govern.

XI. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

The County shall maintain a list of financial institutions and dealers approved for investment purposes and establish appropriate limits to the amount of investments, which can be made with each financial institution or dealer. All financial institutions with which the local government

conducts business must be credit worthy. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the County. Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers. The Treasurer is responsible for evaluating the financial position and maintaining a listing of proposed depositories, trading partners and custodians. Such listing shall be evaluated at least annually.

XII. PURCHASE OF INVESTMENTS

The Treasurer is authorized to contract for or place orders for the purchase of investments:

1. Directly, including through a repurchase agreement, from an authorized trading partner.
2. By participation in a cooperative investment program with another authorized governmental entity pursuant to Articles 5G and 3A of the General Municipal Law where such program meets all the requirements set forth in the Office of the State Comptroller Opinion No. 88-46, and the specific program has been authorized by the governing board.
3. By utilizing an ongoing investment program with an authorized trading partner pursuant to a contract authorized by the governing board.
4. By utilizing an ongoing investment program with an authorized investment adviser provided that all investments are directed by authorized personnel of the County, all trading partners are authorized by the designated Bank and the investment advisory agreement is approved by the Treasurer.

All purchased obligations, unless registered or inscribed in the name of the County, shall be purchased through, delivered to and held in the custody of a bank or trust company. Such obligations shall be purchased, sold or presented for redemption or payment by such bank or trust company only in accordance with prior written authorization from the officer authorized to make the investment. All such transactions shall be confirmed in writing to the Treasurer by the bank or trust company. Any obligation held in custody of a bank or trust company shall be held pursuant to a written custodial agreement as described in General Municipal Law.

The custodial agreement shall provide that securities held by the bank or trust company, as agent of and custodian for, the County, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement shall describe how the custodian shall confirm the receipt and release of the securities. Such agreement shall include all provisions necessary to provide the County a perfected interest in the securities.

XIII. REPURCHASE AGREEMENTS

Repurchase agreements are authorized subject to the following restrictions:

- * All repurchase agreements must be entered into subject to a Master Repurchase Agreement.
- * Trading partners are limited to banks or trust companies authorized to do business in New York State and primary reporting dealers.

January 4, 2021

- * Obligations shall be limited to obligations of the United States or guaranteed by agencies of the United States.
- * No substitution of securities will be allowed unless the substitute securities are delivered to an independent custodian for the account of the County before the previously purchased securities are released.
- * The custodian shall be a party other than the trading partner.

By Mr. Acres, Chair, Finance Committee
Co-Sponsored by Mr. Lightfoot, District 3; Mr. Sheridan, District 4;
Mr. Burke, District 12; Mr. Arquiett, District 13; and Ms. Curran, District 15

WHEREAS, St. Lawrence County and the City of Ogdensburg are parties to a Sales Tax Agreement (“Agreement”) concerning the allocation and distribution of money collected from the Sales and Compensating Use Tax covering the period commencing December 1, 2010 and ending November 30, 2020, and

WHEREAS, in 2013, St. Lawrence County and the City of Ogdensburg negotiated an amendment to the original Agreement (“Amended Agreement”) specifying the distribution of revenue from an additional one percent (1%) receipt of Sales and Compensating Use Tax, and

WHEREAS, both the original Agreement, the initial Amended Agreement, and the currently operative Amended Agreement were approved through adopted Resolution Nos. 364-2009 and 63-2013 by the Board of Legislators, and

WHEREAS, under both the Agreement and the subsequent Amended Agreements, the language of the agreements has provided not only for the distribution of collected Sales and Compensating Use Tax between the City of Ogdensburg and the County but also between the County and the Towns and Villages wholly contained within the County, and

WHEREAS, under the current formula, the respective Towns of St. Lawrence County receive 43.562611% of the collections of the primary three percent (3%) Sales and Compensating Use Tax imposed by the County, distributed to the Towns based upon a formula which takes into account both population and full value assessment pursuant to Tax Law § 1262(c), and

WHEREAS, subparagraph (iii) of the opening paragraph of Tax Law § 1210 was amended effective July 31, 2013 to include St. Lawrence County in the group of counties authorized to impose Sales and Compensating Use Tax at a rate that was one percent (1%) additional to the three percent (3%) rate for the period beginning December 1, 2013 and ending November 30, 2015, and

WHEREAS, on or about April 5, 2020 New York State Senate Bill No. S7508B and New York State Assembly Bill No. 9508A, which constituted a portion of the New York State Budget, was passed and included “Item NN”, which authorized the County to impose an additional one percent 1(%) of Sales and Compensating Use Tax until 2023, and

January 4, 2021

WHEREAS, the County adopted a Home Rule resolution which provided that ten percent (10%) of the additional one percent (1%) authorized by “Item NN” would also be distributed to the Towns until such time as the authority is rescinded, lapses, or the County no longer imposes such tax, pursuant to Tax Law § 1262(c), and

WHEREAS, the Board of Legislators and the City of Ogdensburg have been engaged in negotiations, as contemplated by the Agreement and the Amended Agreement, in an effort to reach a new agreement concerning the allocation and distribution of money collected from the Sales and Compensating Use Taxes covering the period commencing December 1, 2020 and ending November 30, 2030, with the City of Ogdensburg and to distribute the revenue from both the imposition of the primary three percent (3%) and the additional one percent (1%) in collections of the Sales and Compensating Use Tax, and

WHEREAS, to date the parties have not yet reached a long-term agreement, but continue negotiations, and

WHEREAS, during the course of the negotiations, numerous statements have been made that suggest the County intends to decrease or diminish amounts shared with the Towns as a part of the negotiations with the City of Ogdensburg, and

WHEREAS, under the New York State Tax Law, the County is under no obligation to share any portion of the Sales Tax receipts with the Towns when negotiating with a City wholly contained within the boundaries of the County in question and when operating under a negotiated agreement with said City, and

WHEREAS, despite this fact, the County has, for decades, made appropriations for the Towns and Villages and distributes percentages of the Sales Tax receipts with all of the towns of the County, and

WHEREAS, the County and the Board of Legislators recognize the difficult fiscal times faced by all municipalities and further recognize that the Towns and Villages perform irreplaceable services for their constituents and their communities, and

WHEREAS, in recognition of their contributions to their communities and the need for budgeting stability in times of great uncertainty, the Board of Legislators commits that regardless of what occurs with the negotiations between the City of Ogdensburg and the County, the County shall not decrease the percentages of Sales Tax distribution currently allotted to the Towns for the period of the present through November 30, 2030, which is the end of the current period of coverage for any agreement to be obtained by the negotiating parties, and

NOW, THEREFORE, BE IT RESOLVED the Board of Legislators commits to honoring the current distribution formula of Sales and Compensating Use Tax to the Towns and Villages in St. Lawrence County, and

January 4, 2021

BE IT FURTHER RESOLVED that any agreement that is able to be reached for the period ending November 30, 2030 with the City of Ogdensburg shall include provision for the Towns for distribution to the Towns in the same manner and utilizing the same percentages as are currently operative for the distribution of Sales and Compensating Use Tax, and
