

INFORMATION REGARDING RECORDING OF MORTGAGES

Mortgage tax is due and payable upon recording of a Mortgage or Land contract at the rate of \$.75 per 100 dollars. When rounding this figure to the nearest hundred dollars and the value to be rounded is \$50.00 or less, round down. If the value to be rounded is \$50.01 or greater, round up.

Example:

<u>Amount of Mortgage</u>	<u>Rounded Value</u>	<u>Tax</u>
\$13,550.00	\$13,500.00	\$101.25
\$17,650.01	\$17,700.00	\$132.75
\$29,950.01	\$30,000.00	\$225.00

Schedule of rates given on following pages.

Mortgage Tax Exemption Affidavit \$5.00

(Original)

§253 Affidavit

At recording, a request for exemption from the Special Additional Tax must be made in the form of an affidavit. The affidavit must have documentation to support the exemption. This documentation includes the following:

1. Name of Mortgagor
2. Name of Mortgagee
3. Amount of Mortgage
4. Location of Property
5. Basis of exemption

§255 Affidavit

The following is a list of instruments which are considered supplemental to prior recorded mortgages and may not be accepted for record without the filing of a sworn statement pursuant to §255 of the New York State Tax Law:

1. Re-record Mortgage
2. Correction Mortgage
3. Consolidation Agreement
4. Modification Agreement
5. Extension Agreement
6. Spreading Agreement
7. A mortgage given as additional collateral security for a prior recorded mortgage
8. An assignment of a lessor's or lessee's interest in a lease as additional collateral security for a mtg.
9. A mortgage given pursuant to some provision or covenant contained in a prior recorded mortgage.

*In addition to the above, any other supplemental instrument as defined in §255

**If the sworn statement is not filed at recording, the recording officer must collect mortgage-recording tax computed upon the maximum amount of principal indebtedness secured by the instrument or which under any contingency may become secure thereby.

Requirements for affidavit when recording a supplemental instrument to a prior mortgage:

1. The date of each mortgage previously reported.
2. The names of parties thereto.
3. The book and page or instrument number of record thereof.
4. The maximum amount of principal indebtedness secured thereby.
5. The mortgage recording tax paid upon the recording thereof.
6. That said amount was loaned or advanced thereon and became secured thereby, noting exceptions, if any.
7. The balance of principal indebtedness outstanding under each such previously recording mortgage at the date of execution of supplemental instrument.
8. After that, the maximum amount became secured thereby no re-loans or re-advances have become secured thereunder to date of execution of supplemental instrument (list exception, if any).
9. The new instrument should be described by date
10. Names of parties thereto.
11. The maximum amount of principal indebtedness secured thereunder or in conjunction with the previously recorded mtg.
12. Request may then be made for exemption under §255.
